LET'S GO

## BOWLING

With Darlene Cope

Gable House bowlers have only one week left or until December 3 to try and win cash awards in the Great Western Singles Handicap Tournament.

### WEEKLY WINNERS

Signs and posters are hanging on walls and bulletin boards stating "Ten of Our Bowlers and Their Ten Guests Are Going to Las Vegas—Will You Be One?" The Las Vegas trip will include lodgings, dinner and shows.

As you already know, there are two divisions in which ABC and WIBC sanctioned bowlers are eligible. The 169 average and up are classified in the "A" division and all others below 169 are grouped in the "B" division. All scores are based on individual handicap, so if you are a 110 average bowler or better you stand a good chance to win house cash awards and then be eligible to compete for the grand prizes. The qualifying entry fee is only \$3.75 and may be bowled during league play.

Last week winners for house cash awards for high series (\$40), second high series (\$20), and high game (\$10), included the following: "A" division—E. McAdams, 669; A. Sutton, 661; and E. Haney, 239. "B" division—V. De Marco, 747; R. Carmean, 678; and D. Croxen.

Give this tournament a try next and final week. Who knows—you could be a winner.

### GHBA PARTY

The Gable House Bowl Association had a big party at the alley last Friday night.

Evening activities included games by which prizes were awarded. Lucky association winners included Jewelry Ensemble by Sarah Coventry—Carl Costolo, Three Private Gable House Dance Lessons—Betty Rooney, Enter Nous Special—Ed Stuart, Toro Tickets—Bonnie Alderman, Wilma O'Blens, Jackie Jones, and Tiny Sleek; Jafra Perfume Stick—George Handy, Wall Thermometer—Tiny Sleek, Candle Holder—Jim Howell, Magnetic Door Catches—Ron Marvin, and Jafra Facial—Jae Etch- everry.

Other upcoming GHBA events are the fashion show at Gable on December 9 at 2 p.m., tournament between association and 50 and Over Club, December 10, a Christmas party for more than 100 children on the 16th, and, concluding the year, a New Year's Eve Party. Sounds like a lot of fun in store for all members.

### GABLE FEATURES

Be at Gable House early this morning or from 7-11 a.m. to take advantage of the Sunday bowling special. All it costs to bowl is \$1 an hour per lane. Bring your friends, have a ball, and get some extra practice.

In case any of you day time league gals are wondering about the first party Jerry Homel has planned for you, a definite date has been set. Due to all the confusion of upcoming holidays, everyone concerned will probably enjoy it more after the Christmas holidays. Homel has set the date for the party to be a Sunday afternoon on January 14. More details concerning the party will be available at a later date.

## ECC to Host Table Tennis Championships, Dec. 2, 3

El Camino College will host the 15th Annual Pacific Coast Open Table Tennis Championships on Dec. 2-3, intramural adviser Irwin Boxer announced Friday.

"The tournament, sponsored by the California Table Tennis Association, is open for entry to all table tennis players," Boxer continued.

Entry blanks and fees, of a maximum of \$2, must be submitted to the California Table Tennis Center, 831 N. Highland Ave., Hollywood, or given to Boxer, himself, at ECC, DA 4-6631, ext. 281, or his home, FR 1-2136, no later than Monday, Nov. 27. Boxer stated, "Spectators are encouraged; admission is free and a door prize will be given."

### TWO DAYS

The tournament, from noon, Saturday, and continuing until 11 p.m. that night, will resume again Sunday at 1:30 p.m. until 11 p.m.

Boxer recommended, "The best time for spectators will be at 7 p.m. on both evenings, and it will be especially interesting Sunday evenings, when the championship class play-offs will take place."

"Three hundred dollars worth of trophies will be awarded for the various classifications which include boys, girls, junior boys, junior girls, doubles, mixed doubles, and a midjet classification for the 7-10 age group," Boxer continued. Boxer noted, "Some of the

players to highlight the tournament will be those presently among the nation's finest."

Stuffy Singer is among these. He is known as possessing the best variation of serves in the United States. A veteran in competition, he is only 19.

Gene Roseman, noted as the "clown-prince" of table tennis, will also be at the tournament. His playing features rocket-high lobs and uncanny retrieves. He is particularly confusing to first-hand opponents.

Boxer, pointed out, "Contestants will be playing table tennis not ping-pong. Ping-pong is that game that is played by little old ladies in their basement using books for a net."

## Tordena Colts Set Organization Meet Tomorrow

Tordena Colt Baseball League will hold its first 1962 season formation meeting tomorrow at the Edison School, 3800 W. 182nd St. at 7:30 p.m.

Parents of boys in the 15-16 year old eligible bracket are urged to attend for full particulars.

J. C. "Whitey" Gillibrand, '61 season Tordena president, stated that the league had a very successful past year and anticipates an expansion of its activities.

CHEERING for the El Camino College Warriors was led this season by an enthusiastic sextet composed of (left to right) Kay Ptaszek, Inglewood; Larry Gordon, Los

Angeles; Karen Kirby, Inglewood; Bill Jackson, Manhattan Beach; Diane Thiessen, Redondo Beach, and Jerry Hedges, Torrance.

## Blades Clash with S. F. Seals at Tonight's Game

San Francisco's sassy Seals, who have yet to lose a Western Hockey League game to Los Angeles, invade the Sports Arena at 8 p.m. tonight for their third meeting of the season with the Blades.

In their previous two encounters, the Seals triumphed 3-1 and 3-2, the second victory coming in overtime.

Scourge of Coach George Agar's Blades in those two meetings was Left Wing Bob Solinger, the Seal's 34-year-old veteran of 16 pro campaigns, who scored a goal in the first game to send the Seals off in front, then came through with three assists in the second, including help on the tie-breaker.

**RUGGED WEEK**  
Sunday's battle launches a rugged week of activity for the Blades. They host Spokane's rough Comets Tuesday at the Sports Arena, fly to San Francisco to face the Seals at the Cow Palace Wednesday, engage Spokane at the Sports Arena again Thursday and then host San Francisco again Sunday, Dec. 3.

Los Angeles hopes its offensive punch is improved with the addition last week of Center Ed Panagabko, who was acquired from Portland in a trade involving Wing Doug Macauley and suspended Center Doug Anderson of the Blades.

**TOP TEN SCORERS** in the Metropolitan Conference during the season just ended included Kurt Altenberg, El Camino College end, who scored four touchdowns and 14 PAT's for a total of 38. Mike Andrews, also of the Warriors, placed fourth with a total of 48.

## Places Sixth In First Race

Bob Bean of Bishop Montgomery finished sixth in the first CIF cross country meet of the year. Seventy three youths were entered in the field.

The Blades had been going with two centers, high-scoring Gerry Goyer and Eddie Dorohoy, along with Real Chevrefils, normally a left-winger. Chevrefils will return to left wing.

Goyer, with 11 goals and 13 assists, has 24 points thus far and is among the top three scorers in the WHL.

## NASCAR Champ Heads Field at Sunday's Races

1961's Pacific Coast NASCAR champion Eddie Gray of Gardena, who now drives out of San Fernando as a member of the Galpin Motors tandem, goes after his first win of the official 1962 season this afternoon at Ascot Park as more than 30 top West Coast drivers stage a 100-lap late model stock car opener.

First race is set for 2:30 p.m., with time trials at 1:30.

The veteran Gray won no less than nine major races during the '61 season, including four big ones at Ascot. In his potent '61 Ford No. 98, the grey-thatched Gray (no pun intended) is a top-sided favorite to start the '62 circuit in the same skillful, sometimes lucky, fashion in which he walked off with past season's races up and down the coast.

**COMPETITION**  
Gray's chief competition will come from his relentless point runner, Eddie Pagan of Lynwood, who hounded Gray throughout the season; his arch-rival Lloyd Dane of Buena Park, tooling one of the few '61 Chevies in the field; hard-luck Don Noel of Arleta in a '61 Ford, plus other stalwarts as Jim Cook, Norwalk; Bob Perry, Hawthorne; Denny Weinberg, Downey; and Gray's teammate, Ron Hornaday of San Fernando.

Ascot officials have arranged for three special two-lap races between brand new stockroom fresh 1962 Fords, Chevis, and Plymouths, in addition to the official four-lap trophy dash, two 10-lap heat races and the 100-lap finale.

## Cerritos Scores 8-5 Over ECC in Water Polo Meet

Goalie Mike Nolan turned in a tremendous defensive job for the El Camino College water poloists, turning back innumerable scoring attempts, but Cerritos College proved too much for EC as the Falcons earned an 8-5 victory in the first round of the Southern California Junior College Championships at Cerritos Tuesday.

Nolan, an All-CIF goalie while attending Morningside High, was the main reason the Indians were able to stick within three points of the Falcons, as EC tried to celebrate Christmas early, giving the ball to Cerritos on sloppy play in many crucial spots during the contest.

**4 IN 13**  
Dave Ashleigh poked in four goals out of 13 tries to lead the Cerritos scorers.

Against their final Metropolitan Conference foe of the season, the second place Warriors barreled over Santa Monica City College, 23 to 7.

Banging home six points in the first quarter the Corsair's one, the Tribe never looked back. EC built up the lead with a five-point outburst in the second quarter and point splurges of eight and four goals in the third and final periods.

Ron Casey totaled four goals to lead the Tribe, followed by Selden Clair, 5; Jim Graham, 3; Steve Stoner and Ron Robles, 2, and Ron Goodwin and Jim Grabbill with a single goal apiece.

Lloyd Mandel and Tim Phillips each banged in a pair of points to lead the SMCC gunners.

Water polo coach Rudy Kroon praised Casey and Mark Witt for their outstanding games, offensively and defensively against the Buccaneers.

(Ford); Ray McKinley, Bell (Ford); Ronnie Donelson, Inglewood (Lincoln); Gabby Garrison, Long Beach (Dodge); Gerald Rae, Torrance (Chevrolet); Bill Ferrer, Oxnard (Olds) and "Sad" Sam Stanley, Newhall (Olds).

A 30-lap feature will highlight the day's racing program, with a 15-lap semi-main, five 8-lap heat races; an 8-lap handicap dash, and a four-lap trophy dash.

Racing begins at 2:30 p.m. preceded by time trials at 1 p.m.

## Two Losses in Five Years Record for Area Grappler

Displaying an exceptional record of only two losses in five years, one of the best wrestlers in the South Bay area, Redondo's Frank Addleman, is set for the best wrestling dual meet in the state on Friday night, December 1, at 7:30 p.m. in the El Camino College Women's Gym.

Before a crowd of 1,001 fans, the alumni squeezed by the varsity 19-18 in the initial meeting of the wrestling giants last fall. Every match was so exciting that five of the matches were decided by a single point and one match ended in a tie. The El Camino Varsity wrestlers only other loss was to San Bernardino, California state J.C. champs last season.

**JC CHAMP**  
Addleman, the alum's 150-pounder, won the California state JC championship while competing for El Camino in 1956 and was second in 1959. At Long Beach State College, he was unbeaten in dual meet competition for two years and was named the outstanding wrestler at Long Beach in 1960-61 after capturing third place in 1961 and fourth in 1960 in the Pacific Coast Inter-Collegiate championships. He represented the beach school in the National Collegiate Amateur Association Finals at Oregon in 1961.

In freestyle wrestling, Addleman captured the Southern Pacific AAU Championship in 1961 at 136½ pounds and nabbed fourth in the Olympic Regional 1960 Trials.

While competing at Redondo Beach Union High School, Addleman captured

the Bay League championship in 1954 and 1955. He finished second in the CIF finals in 1955.

Wrestling experts describe Addleman as exceptionally fast; he is a grappler who enjoys pushing his opponent until the opponent is exhausted. He is virtually impossible to take down and is always in top physical condition.

FRANK ADDLEMAN, who lost but two matches in five years, is an alumni 150-pounder set for wrestling against the 1961-62 El Camino College varsity, Dec. 1 at 7:30 p.m. in the women's gym. Last year the alumni won 19-18 before more than 1000 fans.
